It's Santa Shaylan's turn to bring on the cheer factor! The Fraternal Order of Elks Lodge #341 provide transportation services to members of our community with their Elks Royal Purple Oncology Vehicle. The program which is delivered entirely by volunteers and relies on charitable donations, shuttles local cancer patients to their appointments and where needed to Sudbury and back for their treatments. McDougall Energy wants to help defer some of the costs of running this valuable community service and they have provided \$500 in gas cards for the program!

Thank you to this episode's sponsor, [McDougall Energy](#).

Make sure you tune in to Local2.ca every day for more surprises from our 12 Days of Christmas 2014.

Day 1 - [On the first day of Christmas, we pay a visit to Lora Lee](#)

Day 2 - [On the second day of Christmas Andree gets a surprise](#)

Day 3 - [On the third day of Christmas Holly gets a jolly visit](#)

Grow your heart three sizes this season with the [Village Media Pay It Forward program](#). Choose from one of our selected local charities or reach out to another in our community. Make a donation from your wallet or volunteer your time. Christmas, after all, means a little bit more.

Very proud of you Grandpa for all you do as an Elk's oncology driver. It is a very deserving charity, we are lucky to have programs such as this in our community and they should be recognized and supported.

The elks drove my uncle to Sudbury and back for cancer treatments. Sadly we laid my uncle to rest last night. I can't thank the oncology drivers enough ;)

Congratulations to all of the hard working volunteers of the Sault Ste Marie Elks Lodge #341. The Oncology Van Program is an amazing service for cancer patients in our city. You do us proud as members of the Elks of Canada !
